Original layered PSD/PSB files, intermediate versions and source hashes are retained privately.

REPORTED GOOGLE PLAY LISTING

Public listing icon

Observed correspondences

- 1 The icon uses a dark-haired heroine with tall white bunny ears and gold earrings above a stacked blue/white and yellow/orange Royal Dream wordmark.
- 2 Both presentations use a bright blue tiled field, floating coins and the same tightly cropped character-and-wordmark hierarchy.
- 3 The store graphics repeat the white-eared heroine and Royal Dream-branded visual treatment.

Recurrence note: Additional displayed publisher identity; no relationship to former publishers is asserted without further evidence.

REPORTED GOOGLE PLAY LISTING

Public listing icon

Observed correspondences

- 1 The icon uses a dark-haired, amber-eyed heroine with tall bunny ears, gold earrings, a blue playing-card patterned field and floating coins.
- 2 The screenshot set repeats the character treatment, blue patterned panels, coin framing and related Royal Dream or Royal Slots wordmark treatment.
- 3 The reported icon substitutes X8 for the original wordmark; the claim concerns the character and composite visual treatment, not X8 itself.

Recurrence note: Additional displayed publisher identity; no relationship to former publishers is asserted without further evidence.

RD-S04 - Character

RD-S03 - Primary Logo Composition
Original layered PSD/PSB files, intermediate versions and source hashes are retained privately.

REPORTED GOOGLE PLAY LISTING

Public listing icon

Observed correspondences

- 1 The icon reproduces the distinctive heroine, white bunny ears, blue tiled background, floating coins and stacked Royal Dream wordmark arrangement.
- 2 Its SHA-256 is byte-identical to the icon retained for former Listing 07: bd63f2506fafc7bdab1665730735c1a3b2b2773ae2362aa3b4248e35265e6fd6.
- 3 The current and former public pages also display the same legal entity, WHITE & CO PROJECTS LTD, under different package identifiers.

Recurrence note: This records continuity of public identity and listing media. It does not independently establish a broader undisclosed relationship.

RD-S02 - Primary App Icon	RD-S04 - Character				
	RD-S03 - Primary Logo Composition Original layered PSD/PSB files, intermediate versions and source hashes are retained privately.				
Observed correspondences 1 The icon closely adapts a bunny-eared, dark-haired heroine with gold earrings against a blue field and surrounding currency treatment. 2 The first store graphic pairs the same character treatment with prominent Royal Dream Casino branding. 3 The comparison concerns the combined character and promotional expression rather than generic casino imagery. Recurrence note: Additional displayed publisher identity; no relationship to former publishers is asserted without further evidence.

	RD-S03 - Primary Logo Composition Original layered PSD/PSB files, intermediate versions and source hashes are retained privately.		

Observed correspondences

- 1 The icon uses the heroine, tall bunny ears, blue background, coin framing and a blue-and-gold wordmark treatment in a closely related composition.
- 2 The supporting store graphics repeat the same character treatment and Royal Dream-branded presentation.
- 3 The comparison is directed to the combined expression shown here, not a colour or coin motif in isolation.

Recurrence note: Additional displayed publisher identity; no relationship to former publishers is asserted without further evidence.
